## Our Response to COVID-19

In this difficult time, the ABEF staff would like to reassure our community of supporters that we have taken all necessary precautions to ensure the safety of our staff, guests, volunteers, and birds. While our staff is currently working from home, we will be closed to the public and remain closed until it is socially responsible to reopen. As always, health and safety are our number one priorities.

In the coming days, we will gain a clearer picture of the lasting impacts this pandemic will have on our organization. We have cancelled the 2020 internship program and several other events to do our part to flatten the curve. We rely heavily on cruise ship tourism and anticipate a trying financial year in the wake of the necessary but impactful travel restrictions.

We are proud of the dedicated ABEF supporters who have grown and changed with us over the past 25 years. Your experience is a connection to our facility we want to continue to share with others for years to come. Now and always, we appreciate your support. Your donations go a long way toward keeping our staff, birds, and facility cared for. As we enter this era of change, we ask you to consider furthering your connection to the ABEF by becoming a member, sponsoring a raptor, or donating. Click the link at the bottom of the page to get started. We also appreciate your support on social media. Now more than ever we need to be sharing stories and laughter. Follow us on Facebook, Twitter, and Instagram to see what we're up to and let us know how you are staying connected to nature. Stay home, stay safe, and stay in touch.

Click the **Support the ABEF** below to be taken to our Donate page of our website. There you can learn more about the way you can make a lasting impact on our facility's future.

**Support the ABEF!**
